Lori and Stephen,

Joanie and I had a very good conversation this morning with Meredith. Her perspective and description of the experience was very helpful. She had wonderful things to say about your company, and on countering the anti-internet skeptics.

Thanks very much!

Thanks Meridith.

I'm going to let Katie work the details here.

Hi Nick

Wednesday or Thursday would work for me if Katie wants to set up a call and we can discuss what you are looking for in the way of info. Look forward to speaking with you.

Best Meredith

Hi Lori,
Thank you for following up on this.

Yes, we would very much like to talk with Meredith and any local people who were active with this project. Our interest relates to our legislative effort.

Katie Blinn in our office will be our lead contact but I would like to participate in any conversations.

Thanks again Lori, and looking forward to seeing you in DC.
Nick

Hi, Nick.

Hope this finds you well. It is my pleasure to introduce you to Meredith Gowen Le Goff, Chair of EMEA for Democrats Abroad. Meredith has kindly offered to talk with you about the experience that Dems Abroad had in conducting their Global Primary. She, like you and Secretary Reed, is passionate about ensuring all Americans' right to vote. I think you two will enjoy talking.

Meredith, might you know of someone in Dems Abroad from Washington State that would also be willing to chat with Nick?

Sorry to have missed dinner at your place this week, Nick. It sounds like it was terrific!

Looking forward to seeing you in DC in a few weeks...

Best regards,
Lori J. Steele
